

# *German Society for Microcirculation and Vascular Biology*

## *Meeting 2019*

*October 25 – 27, 2019  
Heidelberg, Germany*

Bild: Christian Bielia

### **Topics**

Organ-specific vascular features, Mural-endothelial crosstalk, Endothelial cell-cardiomyocyte communication, Biomechanical control of vascular differentiation, Microcirculatory tumor progression and metastasis, Vascular homeostasis, aging & repair, Vascular metabolism, Immuno-vascular communication skills

### **Confirmed Speakers**

Andy Baker, Gabriele Bergers, Jaap van Buul, Stefanie Dimmeler, Andreas Fischer, Sergij Goerdts, Riikka Kivelä, Ferdinand le Noble, Michael Potente, Anna Randi, Massimo Santoro, Lydia Sorokin...

### **Venue:**

Heidelberg University Hospital (Krehl-Klinik), Heidelberg, Germany
