

ADInstruments and the University of Kiel present to you:

# Rapid Research Workshop

Get a hands-on opportunity to design and run your own experiment!

**Date:** March 30th 2023

**Program:**

- Fun, interactive 2.5 h workshop using software and hardware.
- Design and run an experiment measuring your own data.
- Learn best practice physiological research approaches.
- Get comfortable using Powerlab and sensors in research.
- Preview our newest generation of software: LabChart Lightning.

Workshop delivered in English; German instruction available.

**Registration:** For specific questions before the event, please contact Bianca Rossini at:

+49 175 4165256 / [b.rossini@adinstruments.com](mailto:b.rossini@adinstruments.com)

The registration will be handled by your colleagues at the conference in Kiel.

**On-site contact:** Dr. Marcus Schewe: [m.schewe@physiologie.uni-kiel.de](mailto:m.schewe@physiologie.uni-kiel.de)
